

6th Annual NARS Foundation Open Studios

Saturday, June 8th
1 - 6pm

Residency Artist Talk
2pm

On Saturday, June 8th, the NARS Foundation invites you down to Sunset Park to experience art in the environment where it is created. The NARS Open Studios, now in its 6th year, offers an invaluable exchange that benefits artists and community members alike. Artists open their doors to expose an otherwise private workspace, gaining feedback and broader exposure that might lead to other opportunities. Neighbors and visitors, in turn, get access to the creative process happening right next door and a glimpse into spaces that they might not otherwise see.

Artist Talk & Performance, 2pm

Before Open Studios kicks off, join the artists of the *2013 Season II International Residency Program* as they briefly introduce their diverse practices and mediums. Take in their insights, perspectives and sounds before checking out their group exhibition, currently on view, and exploring what've they working on in their studios during their recent residency terms.
